

GERARDO'S

BUSTRO

GERARD'S WINE LIST PHILOSOPHY

Balance. A key word in deciding which wines we want you to enjoy whilst dining with us, and also a descriptor for what the great wines of the world always show.

We want to highlight some of the great regions and varieties of the world, but also provide you with the opportunity to explore new things.

We want to introduce you to some new winemakers, some new styles, whilst always referencing the great history that we have both in this country and abroad.

Wine is experiential. Great bottles are remembered by whom you were with, where you were and what you were eating. They are very rarely consumed on their own. With this in mind, our wine list has been created to add to the experience of Gerard's Bistro.

All wines have a story. A story of their place, of their season, of the way they are made and of the people that shape them. Some are told in languages we can't even pronounce, from places we have never heard of. Don't be afraid, it is just a glass of wine.

We are here to guide you, but only if you would like us to.
